

# Be a Part of the MCADSV Wave of Change!

*Innaugural Wave of Change Event is September 17th 5:30 pm Lansing!*

Join an amazing group of advocates from throughout Michigan! The *Wave of Change* begins with a small ripple of one, joined by another and another; creating a powerful sea of social change, and together creating a world where violence against women no longer exists. Your *Wave of Change* membership will be a force like a wave, the wave will grow; uniting our efforts to honor each other and our work, while increasing our energy in moving forward to mobilize others to end violence against women forever. A wave so powerful it moves those in Lansing and Washington D.C. to do the right thing for survivors; it moves foundations and funders to fund our cause; it moves survivors to safety and action; it moves new advocates to support each other and creates new leadership in the movement. **The Wave of Change – join today!** Benefits of being part of the *Wave of Change*:

- A very special limited edition *Wave of Change* lapel pin to spark important dialogue about our efforts to end violence against women forever
- Solidarity as a member of a movement solidified by frequent email communication on legislative issues and other critical issues impacting survivors and the programs that serve them
- Timely electronic alerts and calls to action on state and local issues such as the Violence Against Women Act reauthorization and state and federal budget issues impacting you and the survivors you serve
- Opportunity to network and connect with other like minded people
